**PHEASANT HUNTING IN ALLEGANY COUNTY**

The program started in 2008 and has increased impressively. In it's 8th year of the program, over 7,000 pheasants have been released. In 2015 we released 1,408!

There are now 8 stocking locations around the county (please look for the pheasant icons on the map). The Pheasant stocking program is an inmate worker program run by the Allegany County Sheriff's office at the County Jail Facility in Belmont, NY and promotes tourism by increasing the county's hunting opportunities to a more diverse hunting population.
